### ***Oil Sands***

McLennan Ross has more than 30 years of experience with respect to all aspects of oil sands, including negotiation and preparation of project agreements, purchase and sale agreements and providing general legal advice to the owners' management group. We have also provided legal advice to owners and government with respect to oil sands royalty issues. We have acted on behalf of owners and contractors with respect to various types of litigation involving oil sands projects.

### ***Large Claim Litigation***

McLennan Ross has been involved with some of Alberta's largest construction claims. We work with our clients to select the best available dispute resolution approach for your situation.

### ***Builders' Liens***

McLennan Ross has more than 40 years of experience dealing with builders' lien filing and subsequent builders' lien issues.

### ***Alternative Dispute Resolution (ADR)***

McLennan Ross has been a strong proponent of alternative dispute resolution approaches long before the concept became fashionable. Our legal professionals have been involved in the mediation and arbitration of numerous construction disputes, as well as various other commercial disputes.

### ***Cost-effective service***

Our extensive use of paralegals, litigation software and document imaging technology enables us to provide cost-effective service to our clients, regardless of the size of the dispute.
